17:26:35 From Angie Marcelynas : I need a ride from the ferry to the camp. Anyone willing to coordinate? I live in West Seattle. I'll give gas \$/buy you a coffee?

17:26:59 From trish : Another thing I wished I brought last year was a small amount of inventory from my business! I made friends and would have loved to do art trades if I had brought some of my stuff last year.

Last year, I wanted to catch the 1:15 ferry, so I got there at 12:45. I ended up getting stuck for two ferries - so I'm going late morning this year!

17:39:47 From Tami Brockway Joyce (she/her) : after 3pm friday, ferry lines are tough. get in line before 3 and you're usually pretty good, on the seattle side. Coming from southworth or tacoma lines are better.
